MORE THAN A SURF CHARTER

Surf. Progress. Stories. Maldives.

Join 1988 World Champion **Barton Lynch** for a 10 day liveaboard adventure through the Central Atolls combining world-class reef breaks, direct coaching and the kind of time in the water that only a moving surf boat can deliver.

Barton has spent more than two decades coaching and mentoring surfers, and has been running premium surf and life coaching trips since 2012. This experience is designed around progression, fun, wave knowledge and the stories of a life spent at the highest level of surfing.

THE ROUTE

CENTRAL ATOLLS

Move with swell, wind and tide - not with a fixed hotel schedule.

The Central Atolls are one of the Maldives' strongest liveaboard surf zones: a broad spread of reef breaks, a useful mix of rights and lefts, and far less crowd pressure than the better-known Malé Atolls.

The real advantage is mobility. MYNA 1 allows the crew and surf guide to adapt the itinerary to the prevailing swell and wind, moving between Meemu, Thaa and Laamu when conditions make sense.

UNCROWDED LINEUPS

More space, more waves, more time to work on your surfing.

RIGHTS + LEFTS

A diverse reef setup across multiple atolls.

BOAT-BASED FLEXIBILITY

Route decisions follow conditions, not a rigid itinerary.
